Legal History and Legal Systems	30	25,000/-
Legislative Drafting and Statutory Interpretation	28	23,000/-
Environmental Law	30	25,000/-

1. Students have the flexibility to choose between different learning options, depending on their preferences and needs. They can opt for a module package, which covers a particular subject or topic in depth.
2. Alternatively, they can join tutoring sessions that focus on a specific aspect/topic of the subject. These sessions are usually held according to the pre-planned schedule, which allows students to plan their time accordingly (**Rs. 1000/- per hour**).

Overall, students have the freedom to customize their learning experience and choose the most suitable approach to achieve their academic goals.

All Payments to be made to:
